PRICE LIST

OF CHOICE

SEEDS

For Market Gardeners and Truck Farmers

To Our Friends, the Gardeners and Truckers:

WITH this new wholesale list for 1924 we wish you to accept our assurance that BETTER SEEDS than those we offer cannot be bought anywhere at any price.

If you have planted them in the past you will know and we need waste no words. However, we wish to extend you a cordial invitation for the continuance of your patronage.

If you have not—this is the season to try them and convince yourself. The opportunity comes only once a year.

Perhaps you think you have been doing fairly well with seeds in past seasons. Why not try and do better with BETTER SEEDS?

We have them. Come and see us at any one of the three stores we maintain for your convenience.

We shall look for you and are confident we will both be benefited by your visit.

TERMS:

OUR terms are strictly cash with order. Prices in this list are all net and the goods will be delivered at freight depots or express offices in Detroit, but we do not pay transportation charges.

If Seeds are ordered sent by mail, postage must be added to these prices at the rate of 8 cents per pound.

In common with other Seedsmen, we have discontinued the use of the terms bushel, peck, quart and pint and now quote all Seeds by weight.

Half pound and over at pound rate.

Ten pounds and over at 100 pound rate.

Allow 40c where bag is required for shipment.

We give no warranty, express or implied, as to description, quality, productiveness or any other matter of any Seeds we send out and will be in no way responsible for the crop. If the purchaser does not accept the Seeds on these terms, they are at once to be returned.
